

PRODUCT DATASHEET BP210 Büttenpapier

Technical data:

Weight	210 g/m ²
Thickness	310 µ
Opacity	95 %
Storage	15-30 °C (40-60% RH)

Description:

This classical, natural white, imitation hand-made paper gets top marks for its high resistance to light and the unique feel of its structured surface.

It is perfectly suited for digital art reproductions such as water colours, drawings, etc., as well as for creating high-quality menus, certificates or invitations for special occasions (e.g. weddings or baptisms).

One important property is its extremely high image stability in connection with pigmented inks.

Archival consistency:

This paper complies with DIN 6738, ISO 9706, ANSI Z 39.48-1992 neutral sized, neutral PH value, acid free and therefore extremely age resistant. It offers the highest archival class and has a life time of several 100 years.
